**EVITA ARCE AND MICHAEL JAGGER**, full time dancers in New York City, bring an exuberant energy and joy to every project, whether it's teaching classes world-wide or performing in renowned theaters. Their combined resumes span the globe from Dubai to the UK, Sweden to Australia! Evita and Michael were the featured Lindy Hop couple in the 2008 Japan Broadway tour of SWING! Commercials and other television appearances have popped up frequently for Evita and Michael since they advanced to finals in Las Vegas on season 3 of FOX's "So You Think You Can Dance"--the only Lindy Hop couple to do so.

Thanks to Ryan Francois & Jenny Thomas, in 2003, Evita and Michael were introduced to each other while working with Ryan's company in Los Angeles.

Currently, the two teach regular classes at Dance Manhattan and continue to travel the world. As teachers, Michael and Evita emphasize anatomy and efficient use of the body. Connecting movements and clearly projecting direction, help create their Lead and Follow technique. Above all other descriptions, one will surely say that Michael and Evita are inspiring to watch and possess a warm welcome to any student of Lindy Hop.
